Project Use Case & Deployment Confirmation Certificate

This is to formally acknowledge that the following student(s) from K.R. Mangalam University have successfully undertaken and completed an industry-based project under our mentorship, in alignment with the stated objectives and requirements of our organization.

Project Details:

- **Project Title:** Inclusive Connect

- **Domain/Technology Used:** Python, Computer Vision, Machine Learning

- **Industry Use Case / Business Problem Addressed:**

  Facilitating real-time communication for deaf and mute individuals during video calls by converting sign language gestures into live text captions, thus bridging the communication gap between hearing and non-hearing persons.

- **Expected Outcome/Utility of the Project in Our Organization:**

  The project provides an innovative assistive communication tool that enhances accessibility for differently-abled individuals. It can be integrated into customer service solutions, internal communications platforms, or standalone applications, thereby promoting inclusivity and expanding outreach to the deaf and mute community. It also aligns with our organizational goal of adopting cutting-edge technology to serve diverse user needs.
